About Me

Enthusiastic Learner: I possess a genuine passion for acquiring new knowledge and skills, and I am eager to embrace new learning opportunities.

Strong Work Ethic: I am committed to delivering high-quality work and consistently strive for excellence in all tasks undertaken.

Interpersonal Skills: I excel in building positive relationships with peers and superiors, fostering a collaborative and supportive work environment.

EXPERIENCE

During my studies, I have gained foundational knowledge and hands-on experience in programming languages such as C, Python, and JavaScript. I have completed coursework and assignments that focused on building a solid understanding of programming concepts. I am eager to further expand my practical experience by working on real-world projects at your organization OXIMITE DIGITAL LTD (ODL)

Education

I have a strong academic background and am a high achiever throughout my O-levels at EMS high school, islamabad and also in my O-Levels final Exams i am currently doing Alevels and hope to achieve high grades in it too. My consistent excellent grades and recognition for academic achievements are a testament to my dedication and commitment to learning. I actively participated in class discussions, engaged in group projects, and took part in extracurricular activities that enhanced my overall educational experience. Through these experiences, I developed a strong foundation in subjects, fostering a thirst for knowledge and a passion for continuous learning
